

Resistance thermometer TYPE HTMS

High temperature multi spot temperature sensor

- Process connection flange
- Up to 16 spots Type-MK or Type-PMK
- Measuring range -50 °C to 500 °C
- Thermocouple according to IEC 584-2 (Type-MK)
- Pt RTD element according to EN60751 (Type-PMK)
- Output 4-20 mA transmitter (up to 16)
